Dear Natalie,

I am honored to be the first to invite you back to Scripps College for your 65th class reunion, which will be held during Reunion Weekend May 2-5, 2013. Your 65th reunion is a momentous occasion and I very much hope that you will join us on campus for the celebration. As the daughter of a Scripps alumna, Barbara Yunker Bettison '54, I understand the magic that happens when Scripps women step back on campus. My mother celebrates her 60th reunion in 2014 and is already looking forward to spending time with her classmates.

Reunion Weekend 2013 will offer you many opportunities to see and hear about the current developments at Scripps and to once again enjoy the beauty and serenity of the campus. You will have a chance to tour some of the newer facilities as well as your own favorite places from your years on campus, such as Balch Hall, Margaret Fowler Garden, Denison Library, Seal Court, and your residence hall.

In honor of your reunion, there are special events planned over the course of the weekend. On Friday evening, May 3, the Class of 1948 is invited to a special class dinner in the Faculty Lounge. On Saturday, May 4, the highlight of Reunion Weekend is Convocation for all reunion classes in Balch Auditorium. I have the honor of leading the members of the 80th, 75th, 70th, 65th, 60th, 55th, and 50th reunion classes into Convocation. It is awe inspiring to see the entire auditorium of alumnae stand and cheer for each of you as you enter this treasured space. Convocation is followed by the Golden Anniversary

Dear Natalie,

Greetings from Scripps! I hope this note finds you healthy and happy.

I am reaching out because I will be visiting the Santa Barbara area and would welcome the opportunity to visit with you and update you on the College. I am available Wednesday, December 4 and Thursday, December 5. Might your schedule allow you to join me for a meal or even an afternoon coffee?

We have just kicked off a five-year campaign for Scripps College. The theme for this campaign is - More Knowledge, More Truth, More Imagination, More Justice, More Opportunity - ***We Want More***. It's bold, it's clear and it's true. Not only do we want more, we are committed to producing more. More leaders, more endowed faculty, and ultimately, more good for the world.

As you know, these Campaigns are weighty endeavors. The advice and guidance we get from alumnae like you who are so supportive of Scripps, is invaluable as we forge ahead. I hope that you will find time to meet with me so I can thank you and update you on the great things happening at Scripps. Please feel free to give me a call at (909)607-7531 or, send me an email at ckjones@scrippscollege.edu.

Thank you, in advance, for your consideration,

Crystal K. Jones
Senior Advancement Officer
